

# VALLEY PREDATORS FOOTBALL SPONSORSHIP PACKAGES

---

The Valley Predators is a non-profit, 501(c) 3 adult, developmental, community football team. Players experience ranges from recent high school graduates from our local schools still looking to play football in college, to college graduates, other minor league teams, and players that have NFL experience. We are beginning our sixth season. We are part of the National Developmental Professional Football League (NDPFL) serving the Riverside County area, and parts of San Diego County.

The mission of the Valley Predators is to provide adult athletes the opportunity to continue to play organized football and further develop their athletic abilities. Our goal is to have as many young players as possible obtain higher education through football. Players are challenged to adhere to high professional ethics and standards of excellence. We are committed to providing solid guidance to athletes throughout the Valley area and bringing quality football entertainment to fans in our community.

We give to the community by hosting football/speed training camp to our youth, as well as participating in community service projects. Each year we collect food items for our local pantries and toys for the "Toys 4 Tots" program.

Our team can only exist with the support/partnerships of our community businesses. A sponsorship opens the window of opportunity for YOUR business to be a part of something great. Your name in our program and on our web page shows others your support of the young adults in our community and in the enrichment of their futures. For your support, we are prepared to make a very generous advertising offer included in the following packages:
